Duffy Scholarship Application

Hey HOBY!

Welcome to the HOBY SD Duffy Scholarship Application!

HOBY South Dakota is a non-profit organization. Our vision is to motivate and empower individuals to make a positive difference within our global society through understanding and action based on effective and compassionate leadership.

Hugh O'Brian once said, "I believe every person is created as the steward of his or her own destiny with great power for a specific purpose: to share with others, through service, a reverence for life in a spirit of love."

This Scholarship will be awarded to students who have been nominated to attend HOBY SD's Leadership Seminar this Summer. HOBY SD believes that any student who strives to empower others and shows passionate leadership skills shall have the opportunity to further develop them at the seminar, despite their financial circumstances.

HOBY SD believes that the future leaders of South Dakota are many with incredibly diverse backgrounds. If you feel that you have been marginalized or disadvantaged in any way, HOBY SD is here for you and wants to help you on your path to finding your leadership potential! If this applies to you, we look forward to receiving your application.

For any questions regarding the seminar or application, please speak to your School Counselor or contact us through our website at <https://www.hobysd.org/contact/>
